Re: Delphi Corporation

Dear Ms. Leonhard:

As you may be aware, we represent Capital Research and Management Company in the Chapter 11 cases of Delphi Corporation and its affiliates. Cap Re is co-chair of the Delphi Unsecured Creditors' Committee and, to our knowledge, is Delphi's largest funded debt creditor.

I am writing in response to correspondence you received at the end of last week from the Brown Rudnick firm on behalf of Law Debenture Trust Company of New York, wherein Law Debenture incorrectly alleges that Cap Re has sold (or is in the process of selling) its interests in the Delphi Subordinated Notes and that, accordingly, the Committee no longer will have any members who are Subordinated Noteholders.

Attached for your reference is the Notice of Status as a Substantial Claimholder that Cap Re filed with the Bankruptcy Court on or about November 11, 2005. Cap Re advises me that it has not sold any of the \$529,931,045 in principal amount of securities reflected in such Notice (including the preferred securities and associated Subordinated Notes) and is not in the process of doing so.

In the future, we hope that Law Debenture and its counsel will contact us to ascertain the facts before making baseless assertions about Cap Re in letters to your office. This would certainly save the other parties a lot of otherwise-wasted time and energy.

If you have any questions about this letter or the attachment, please do not hesitate to call me.

Best regards.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard G. Mason". The signature is fluid and cursive, with the first name "Richard" being more prominent and the last name "Mason" following in a similar style. The signature is positioned above the printed name "Richard G. Mason".
